Thank You for your Generosity!

Vocation View: We are sent to proclaim the Gospel to the very ends of the Earth, so that we might draw others into union with the Triune God. Be courageous in showing your faith that others may know the reason for your joy.

Thought for the Day: When we pray, our words should be calm, modest and disciplined. Let us reflect that we are standing before God. We should please Him both by our bodily posture and the manner of our speech. It is characteristic of the vulgar to shout and make a noise, not those who are modest. On the contrary, they should employ a quiet tone in their prayer.
