The Leader In Me...

April

Habit 7: Sharpen the Saw is the habit of taking care of your body by eating right, exercising, and getting the right amount of sleep. It's the habit of spending time with family and friends; to learn in lots of ways and lots of places, not just at school. The habit is about taking the time to find meaningful ways to help others. In a nutshell, habit 7 is about taking care of yourself.

Habits at Home

Examples of how you can practice Habit 7 at home:

- 1) Have a family game night.
- 2) Exercise together. Keep a health journal-Everyone sets a goal for the week.
- 3) Read together! Make your own family book club or set aside a time every day when everyone in the family reads.

School Of Faith

St. Lawrence is implementing the School of Faith model as another dimension of our Catholic identity. This means that we as a school, staff and students strive to demonstrate our faith and belief in God as a Catholic school and community. Our staff is engaging in a guided study of the Catechism of the Catholic Church. We are communally studying and praying with each other using the Bible. We want to challenge our school families to actively engage in living our Catholic faith and Christian identity.

In the Rite of Baptism parents are reminded that when they ask to have their child baptized they are accepting the responsibility of training the child in the practice of the faith. Parents are reminded that it is their duty to bring the child up to keep God's commandments as Christ taught us, by loving God and our neighbor. The lives of the parents and godparents are to be examples of faith to inspire the child. They must make it their constant care to bring the child up in the practice of the faith.

What does it mean to raise a child in the practice of faith? How do we practice our faith? What are the basic expectations that the Catholic Church has for its members in practicing the faith? In what ways does a family share and demonstrate faith? One way is to worship together. Bringing our children to church with us teaches them the value of worship. Hold little ones on your lap and whisper in their ear at the time of the Consecration when the Eucharist is becoming the body, blood, soul and divinity of Christ and Father elevates the Host, "That is Jesus." After mass, have your child tell you what the Gospel was about or what was said in the homily. Make worshiping together a time of warmth and connectedness. Another way is to pray together, say grace before meals, pray together before bed. Let your love for each other be seen. Put your family first, be a sign and a witness.

July 24-28, 10:00am - 11:30am

Fall after school class - Mondays: 9/25, 10/2, 10/9, 10/16, 10/23 - 3:30 - 5:00pm

Led by an experienced Ursuline teacher, the HSPT test prep course will help you feel more confident on testing day so you can do your best. The course will cover standardized test taking strategies as well as familiarize you with the format and types of questions on the HSPT, including practice questions for each section.

An HSPT Prep Book will be provided for each registered student.

Ursuline will offer two full practice test options for students enrolled in any of the test prep courses on Saturday, July 29 and Saturday, October 28. You are welcome to participate in one or both, regardless of which prep class you are taking. The full practice test offers students the opportunity to take the practice test in an authentic, timed, school environment, very similar to what you would experience on the actual testing day. Students who are not able to attend either of the full practice tests can complete a full practice test at home from the provided workbook.

The cost of the course is \$130, which includes the test prep book and a small snack each day.

The National Eucharistic Revival has begun! Archbishop Schnurr is inviting all Catholics through their parishes and all Catholic school students grades 6-12 to grow in our understanding and devotion to the Eucharist.

The Archbishop has also provided for a great and easy way to help our students and faculty to grow in meeting Christ in the Eucharist. In the link below, you will find information about a video series called The Mass from Bishop Robert Barron's Word on Fire Ministries. We encourage all teachers and staff to be sent this information, but especially the 6-12 religion teachers so they are able to sign up to receive a weekly email with the video and introduction by Archbishop Schnurr. We encourage all religion teachers to set aside one day a week from January 8th-February 12th to watch the video with their students and have a discussion on the Eucharist. (approximately 25 mins per video)

I also encourage you to send this information out to your parents as well so your entire Catholic school community can learn and be invigorated in Christ's Real Presence in the Eucharist!

Starting Monday, Nov. 21st, <https://CatholicAOC.org/theMass>
