REV. ZACHARY W. CECIL, PASTOR

Sacrament of Anointing of the Sick—After Office Hours 513-512-5805

The mission of the Westside Catholic Family of Parishes is to create a solid Catholic culture on the West side of Cincinnati through authentic worship, strong devotion, and loving outreach. We intend to be a strong source of truth, beauty, and goodness that attracts people to the faith, reengages those who have fallen away, and strengthens the faith of practicing Catholics.

PASTOR'S COLUMN

September 24, 2023

Dear Westside Catholic Families,

Here are a couple of questions about Beacons of Lights.

1) What is a parish?

a. A stable community of the faithful constituted with a church or group of churches within a diocese. Its oversight and care are entrusted to a pastor as its shepherd under the authority of the diocesan bishop. "The parish is the presence of the Church in a given territory, an environment for hearing God's word, for growth in the Christian life, for dialogue, proclamation, charitable outreach, worship and celebration." (*Evangelii Gaudium*, 28)

When we think of a parish, we often think of a particular church. However, a parish is actually more focused on the people of a specific area rather than the buildings. One question that often follows is whether or not a single parish can have more than one church. The answer to that question is, Yes. A parish can have more than one church and more than one school.

2) What is the difference between Church and church?

"Church," when capitalized, refers to the Catholic Church, the faithful of the whole world united under the guidance and authority of the pope, the successor of Saint Peter. A "church" is a sacred building set aside for public worship. Each parish has at least one church. Each church has a title which cannot be changed after its consecration.

Have a Wonderful Week!

SPIRITUAL ADOPTION PROGRAM

Everyone loves the beauty and innocence of a baby. As an expression of that love, Westside Catholic Family of Parishes announces an adoption program for young and old alike.

The members of Westside Catholic Parish Family will have the opportunity next weekend to "spiritually" adopt a child who is newly conceived this month. Not all newly conceived babies are allowed to be born. In fact, more than 4,000 babies lose their lives to abortion each day. It is these babies you are being asked to "adopt".

You may "adopt" a child individually or as a family by signing up during this weekend, September 23/24. You will be asked to name the child for whom you will be praying, thereby giving the baby the humanity he or she deserves. You will be asked to pray for your unborn child and for all unborn children, for the power of prayer is great.

You will receive monthly reports through the parish bulletin describing your baby's development and your child will be born in June.

There are millions of unborn babies desperately in need of your prayers. Won't you please "spiritually adopt" one and share the love for life that God has given you.

WESTSIDE CATHOLIC FAMILY OF PARISHES RCIA

If you, your spouse or someone you know is interested in learning about the Catholic faith, the Parish Family of St. Lawrence, St. Teresa of Avila, Resurrection of Our Lord, and St. William offers a Christian initiation process known as RCIA (**Rite of Christian Initiation for Adults**) that can help you prayerfully discern your faith journey.

While RCIA is generally geared to adults who wish to enter the Catholic Church and be initiated into the church through the sacrament of baptism, it is also open to those who wish to know more about the teachings of the church and enhance their understanding of the Faith. RCIA is also open to persons already baptized in other faith traditions who are interested in being received into the Catholic Church. All are welcome! The RCIA classes are open to anyone age 14 and older.

WELCOME CURTIS GROSS

My name is Curtis Gross, and I'm preparing to become a Catholic priest for the Archdiocese of Cincinnati. I've completed 4 years of prayer and study at Mount Saint Mary's Seminary, and I've now been assigned to your family of parishes for my pastoral internship year! I was born in Erlanger, Kentucky but my family moved to Morrow, Ohio when I was about 4. God has blessed me with holy, supportive parents and three wonderful sisters. I went to St. Margaret of York grade-school in Loveland, and then I went to Little Miami High School. For college, I decided to go to Ohio State University and study Civil Engineering, which was challenging but rewarding. After college, I worked as a civil engineer for a firm here in Cincinnati, working on a variety of projects around southwest Ohio. In the spring of 2019, I had an unexpected and life-changing experience at a Catholic "Cursillo" retreat. I went into the retreat thinking that I would continue on in life "as planned," and I left the retreat with a deep conviction that the Lord was calling me to become a Catholic priest. I enjoy playing golf, Frisbee golf, basketball, euchre, and many different types of board games. I like to read the Sacred Scriptures and spiritual books written by the Saints. This upcoming year will certainly be a great blessing for me, as I learn how to be both a good priest and a west-sider! Please keep me in your prayers and please feel free to talk with me, ask any questions you may have, or invite me over!

**HOPE OF THE POOR MISSION TRIP 2023: Prayer Requests +JM+**

Do you have any prayer requests? Fr Stegbauer will be praying for all of you while he is in Mexico City and at the Basilica of Our Lady of Guadalupe on the 2023 Hope of the Poor Mission trip with parishioners. If there is a specific way that he can pray for you, please fill out this form. He will bring these intentions with him and pray for them with Our Lady! God Bless! <https://bit.ly/485mIOr> (capital i capital o)

JOIN THE ST. LAWRENCE CHOIR

The St. Lawrence choir returns from their summer hiatus. They normally sing the 11:00 am Masses during the academic year along with other feasts and solemnities. It is always a chore to keep the choir filled as it's a lot of work. We are still short of men! As you know the choir is pretty young and many are either in high school or college. This threatens the choir's stability as they have colliding schedules many times with rehearsals and or Mass times. We average 16-18, but really need to beef it up to at least 20 to compensate any absenteeism.

Please consider singing with the St. Lawrence choir and keep our singing tradition healthy and strong. Rehearsals are very Thursday at 7 pm. Sunday morning call-time is 10:15 am. We start our first rehearsal the Thursday after Labor Day weekend. Please join us in the choir gallery! John Valentine-Organist=Choirmaster-Johnv913@gmail.com; 614-286-5710.

KEEPING ST. LAWRENCE BEAUTIFUL

As you know, we have made some major improvements to St. Lawrence Church and School over the years. For example: the soccer field, lower parking lot, HVAC, and the church tile to name just a few.

Now we need to keep the momentum going. The next project we are addressing is the church organ and tower clock. As you know, the organ needs to be replaced and we have a replacement. It's beautiful!!! Please read the insert for additional information (in St. Lawrence's bulletin) and view the pictures of the replacement organ on the easels at the back of St. Lawrence Church.

THE DEACON'S CORNER

A Reflection: "In the hours of loneliness, weariness, and trials; Jesus, help me!" the third petition in the prayer "Jesus, Help Me!"

Sacred Heart Monastery

www.poshusa.org

As I was reading several verses of Psalm 139 this morning, my mind went back to the year 1988 at Cincinnati Children's Hospital. That was the year that our youngest son was diagnosed with Acute Lymphocytic Leukemia (ALL). That was a year when things seemed to get turned completely upside down. After all the tests and briefings by the doctors, we settled into a life of uncertainty that prevails in the hallways of a place where many children have life-threatening diseases. That was the first time that I held on to a book of psalms that I had been given a year earlier. Reading the psalms, especially Psalm 139, helped ease all of the uncertainty that we were facing as a family. The prognosis was good, but it would be a long battle with the disease.

In the hospital room with our son Mark was another child, Montae, who was maybe three or four years old. He was an African-American child who no one ever seemed to visit. Montae had a disease called

Sickle Cell Anemia which is very painful and causes severe weakness, and it can be life-threatening. I can remember trying to cheer Montae up in his loneliness. The hospital would bring a wagon into the room occasionally so that the little boy could get pulled around the halls to see more of life than just his hospital room. This morning, I wondered about Montae, and the other babies in that hospital who sat alone most of the time with no family to care for them.

A prayer: Lord God, we praise you and give thanks for your love and mercy. Thank you for giving us Jesus, who walks with us in all our circumstances, especially in the hallways of loneliness and uncertainty of hospitals and nursing homes. We ask you to send your special angels to accompany those who are left alone, especially the children and elderly who are isolated by illnesses or other circumstances. We pray in Jesus' Holy Name we pray, Amen.

Blessed Anna Maria Taigi

This is our concluding installment on the life and spiritual insights of Blessed Anna Maria Taigi (1769-1837).

The effects of the French Revolution were felt all the way to Rome, and were not without influence on the clergy; this situation caused Anna Maria great suffering. She had been granted a very exceptional gift by God: the permanent vision of a luminous globe or "sun" in which she could see all things, natural and supernatural. This phenomenon was to last 47 years, right up to her death. Our Lord had said to her: "This is a mirror that I show you so that you may know the good and the evil that is being done." Thus Anna Maria had knowledge of the many schemes of the secret societies against the Church, and thwarted several of them through her prayers. She saw the abduction of Pope Pius VI by the Directory (the French government), as well as his protracted agony and death from exhaustion in Valence, France, in 1799. She announced the election of Pope Pius VII, and later, when he was deported by Napoleon Bonaparte, predicted the Pope's triumphant return to Rome. In 1823, Pope Leo XII, Pius' successor, fell seriously ill. Bishop Vincent Strambi, a Passionist and advisor to Pope Leo, offered up his life for the Holy Father's recover. Anna Maria arranged for him to be informed

that his sacrifice had been accepted and that he would die in the Pope's stead, as indeed did happen. Furthermore, she predicted the election of Pope Gregory XVI (1831), then that of Pius IX (1846). Anna Maria also saw, in her "sun", the course of Napoleon Bonaparte's life until his death in 1821. With regard to him, she prayed and immolated herself "so that the weapons of the godless might be broken and their power dispersed."

"Those who serve God must be respectful and humble, but also frank and simple at the same time," Anna Maria said. She herself was always very frank. Thanks to her, the sick whom she warned of the imminence of their passing died a holy death. At the cost of great personal suffering, she obtained a number of last-minute conversions. She excelled at consoling those who were experiencing moral pain, and at helping the needy, either by her own means or through her personal relations, even if it meant begging on their behalf. As she grew older, her fingers became increasingly painful. However, she continued to sew so that her family could be decently clothed, and to provide daily bread for the household.

At the end of October 1836, she was struck down by illness. In a final conversation with her husband, and then with her children, she recommended that they continue to pray the Rosary as a family. After a lengthy, painful but peaceful agony, she surrendered her soul with a cry of joy and deliverance on June 9, 1837, at the age of 68. During the beatification process of his wife, Domenico, aged 92, testified with great fervor; his two daughters were also heard. Pope Benedict XV proclaimed Anna Maria Taigi Blessed on May 30, 1920.

Faced with the religious skepticism of the Voltairians (followers of

Voltaire), who were in full triumph at the time, Anna Maria Taigi had the boldness to pronounce these extraordinary words at the end of her life on earth: "Not only do I believe in the God of Christian revelation, but I have seen Him! I have seen Him, every day, for half a century!"

May we, heartened by those forceful words, live our lives immersed in intense faith in the Triune God, and conform them to the teachings of the Gospel of Jesus Christ!
